Guest Charlie McCartney

Graham Bowen introduced our guest judge Charlie McCartney who gave us an excellent presentation on the art of photography. The portfolio of his photos which he had brought along was outstanding as was his extremely enthusiastic history of each.

After a polished grace from Cliff, Heather and Hilda then served us an excellent Xmas meal with Wine and Crackers.

Charlie then judged our entries for the "Street Scene" Competition giving his thoughts and opinion on each entry. He also made comment at the marked improvement in both the presentation of the photos and the content, since he first judged our club 5 years ago.
