3 <sup>rd</sup>	Cliff Strong	Fishermen mending nets

Graham Bowen gave a presentation of the relevant benefits of Photoshop Elements 9, which is currently available at Amazon for £49. Unfortunately, technical problems forced him to switch to a Windows laptop instead of his Mac, and he couldn't demonstrate some of the features properly at the time. He was able to complete the presentation later, when the configuration of his Mac had been adjusted.

Sandy thanked President Graham for Judging the Competition and Graham Bowen for the hard work he had put in pulling together his presentation.

Next Meeting.
