How is it that the first piece of luggage on an airport carousel never belongs to anyone?

AUGUST News

Dear Fellow Members,

I am pleased to have this opportunity to welcome you to our first Inner Wheel Meeting on **29th August at No. 16.**

The summer is drawing to a close and I hope we shall all feel the benefit of the holiday period.

I am delighted to report Janice is well on the way to a full recovery. No more spider squatting for her in future.

Good to see Eleanor's husband looking so well at the Rotary Coffee Morning. Sorry to report Sally has had a tumble and cracked her rib, I am sure we all send her our best wishes.

I look forward to my first meeting with a little trepidation – anyway it will be good to see everyone again.

With best wishes

Yours in friendship

Betty.

N.B. AUGUST MEETING IS TUESDAY 29TH AT NO.16

REPORTS

TREASURER

Just a reminder Subscriptions are now due, these are £42 as set at the A.G.M. As I am on holiday in September it would be appreciated if these could be paid by the August meeting.

Olive

OVERSEAS SERVICE

I will be attending the Perth District Assembly on 30th August and after that will know what the new District Overseas Organiser Jessie has in mind or the coming year. I will arrange an OS committee meeting before our September Meeting.

In the meantime there has been an urgent plea for towels and bathmats – not necessarily new, to be used on the Mercy Ships. The quickest way for these to reach their destination is for them to go to the meeting in Perth. So if you can possibly help out would you please bring your donation our meeting on TUESDAY 29TH August. For those unable to attend that meeting, but have some towels President Betty and I will receive them at home.

The Blythswood van will be in the Fluthers car park between 12.30 and 1 pm on Tuesday 22nd August, and again on Tuesday 19th September.

Carole

ENTERTAINMENT

I would like to thank the Committee and members for the lovely flowers. I am pleased to report that I am on the mend but still a bit immobile. I have investigated the Himalayas putting but it will not be possible to arrange until after it reopens after Easter.
