### **Lifestyle choices that change after University.**

You don't volunteer for clinical trials at the local hospital.  
You don't go to Tesco with your friends.  
You get out of bed in the morning even if it's raining.  
You don't get ideas for drinks from local tramps.  
A fire in the kitchen is not "a laugh".  
You know all of the people sleeping in your house.

## Inner Wheel Club of Cupar

Session 2008-2009

November News

### *Hello Ladies*

Olive's coffee morning was well attended and we all enjoyed her home-baking and of course the chat with friends. Everyone there agreed that Betty and Jo, the speakers at our October meeting, were brave ladies. It certainly takes a lot of courage to disclose to strangers how alcohol has affected their lives. I found their talk very emotive and I'm sure many of you did too.

How are you all getting on with the Quiz? I know you'll have managed to sell them but have you found all the answers? If there was a booby prize for the fewest answers completed I would definitely win it – and that's with Higher geography, a World atlas and the Internet!!

At our meeting on the 26<sup>th</sup> we will be joined by the Presidents of Cupar Rotary and the Howe of Fife Rotary and our speaker is Mr Jim Robertson, Procurator Fiscal. I look forward to seeing you all then.

Best Wishes  
Yours in friendship

*Connie*

## OVERSEAS SERVICE

I will be collecting any goods you have ready for the “Buckets of Love”, if you would like to bring them to the next meeting.

I hope the Waters of the World quiz for Isar is selling well. I have had some completed entries returned already!

It would be helpful if you could return the money for these at the meeting so I can ensure we have raised enough for the sponsorship. The winner will be drawn after the 30<sup>th</sup> November and the prize sent off.
