Prompt Action???

Workmen excavating the lake beneath Blackpool's Big Dipper roller coaster discovered a gold earring dropped by Marlene Deitrich more than 70 years ago when she visited the Pleasure Beach in 1934. She later wrote to managing director about the lost jewellery.

The workers also found three sets of false teeth, a glass eye, a bedraggled toupee, 35 keys, one flip flop, a bra and £85 in small change.

May News

Dear Fellow Members,

Heather, Sally, Ellen and I enjoyed our visit to Pitlochry's Open Day meeting.

On the go again, Kinross on 18th May, the District Rally. Association President Phyl addressed the meeting of 136 members. She spoke of the pride and pleasure of holding the office of Association President of G.B.&I. Carole, Ellen, Elspeth, Heather, Kitty and I all enjoyed the happy relaxed meeting.

Although small in number the Kinshaldy walk, arranged by Janice, was a great success. I was sorry not to be able to attend.

Thank you Liz, another happy coffee morning.

Wyn Harley has asked me to say thank you to you all for her warm welcome at last months meeting. We all hope she will visit again.

Janice has been busy organising the final details for the birthday party, all is well in hand, and I look forward to welcoming you next week.

Next the Himalays putting, lets hope for a fine evening to show off our skills!!

Best Wishes

Yours in friendship

Betty
