Inner Wheel Club of Cupar

Session 2010 - 2011

August News

Hello Ladies

The Inner Wheel season has not yet begun, but your committee has already started to pull things together for you. Our initial get together was very lively and full of bright ideas. The coming year looks to be fun and interesting. Elspeth McCricrick has been very busy writing to all the prospective speakers, and she now has a full programme in place. Some of it looks very exciting. She has given a lot of time to this and for this I am extremely grateful.

Kitty has very kindly offered to print the syllabus again this year, thus saving quite a sum.

There are some bright ideas about the coffee mornings, but all will become clear at the first meeting.

Five committee members are going to the District meeting at Perth on 25 August, where we will be given the full District programme for the year.

Finally, the first coffee morning of the year will be at my house on Wednesday 1 September at 10.30am

I look forward to seeing as many of you as possible.

Pat
