March News

Dear Ladies

I hope you all enjoyed the Rev Jim Campbell's brief presentation of his experiences in Malawi.

Did he not make it come alive for us? And he has lots more to tell us if we are interested.

He has given us lots to think about over the next few months.

It was great to see so many of you at the joint meeting, and I hope you enjoyed it as much as I did.

I felt it went very well, and my thanks to my committee who all did their bit and made it happen.

We are heading fast towards the longer evenings so hopefully it will encourage all of us to get up out a little more.

I look forward to seeing you all on 30 March

Regards

Pat

COMMUNITY SERVICE

Ladies, thank you so much to all who came to Pitlair and formed 'The Hot X Bun Tasting Board for Discerning Women! It was fun as well as a useful outcome for us all.

Our big event at The Corn Exchange for **the Coffee Morning on 2 April** is now visible on the horizon. This is a final plea for those who still want to donate items to the hamper (last chance for inclusion is at the March Club meeting), and a final request for donations to all other stalls on the day itself.

I hope it's as good a team effort as last year, because that's what you do so well, ladies. I think you will all agree, that it's so rewarding to be part of a team and each do our bit for the good of others. The Corn Exchange will be open for us to set up at 8am, so bring your breakfast, let's have fun and serve again with gusto - we have a reputation to uphold!

Thank you for your support and look forward to seeing us all in action again.

Chris

MENU FOR MARCH MEETING

OVERSEAS SERVICE

At our last club meeting, one of our members asked where the "Buckets of Love" will be going. I thought I would like to share with you the following which is on the Blythswood Care website under the heading "Buckets of Love" It makes you think:-

"Nearly 1 billion people are living in abject poverty in the slums of Africa, Asia, Latin America, Eastern Europe and the Middle East. In these areas, many families struggle to survive in the harsh conditions, yet it only takes something very small to brighten their day - a piece of string or a yard of duct tape to patch up a leaky roof, a first aid plaster to cover a child's cut, a needle and thread to mend clothes that are falling apart, a yo-yo to make a child smile and a bucket to hold fresh water."

Rest assured that our efforts will be well appreciated.
